

Provider Access Policy Statement

Barr Beacon School

Review Date: September 2022
Review led by: L Draycott

1. Aims

This policy statement sets out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their options.

It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in Years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#).

This policy shows how our school complies with these requirements.

3. Student entitlement

All students in Years 7 to 13 at Barr Beacon School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities, as part of our careers programme which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses

4. Management of provider access requests

4.1 Procedure

A provider wishing to request access should contact G Killick, Careers Leader.

Telephone: 0121 366 6600

Email: postbox@barrbeaconschool.co.uk

4.2 Opportunities for access

A number of events, integrated into our careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers. These are detailed in our Career Plan 2021-2022 document in the appendix of this document and published on our website. Please speak to our Careers Leader to identify the most suitable opportunity for you.

Please note that due to the global coronavirus pandemic, many events have been cancelled or postponed. Until it is safe to do so, we reserve the right to refuse access to any visitors to the school. We are however disseminating vital careers information to pupils in a virtual space and you should contact us if you wish to explore this option.

4.3 Granting and refusing access

We will always try to grant access wherever possible but may refuse based on the following criteria. Please note this list is not exhaustive and each request will be considered on a case by case basis.

- Nature of the request from provider
- The needs of the students
- The needs of the curriculum
- Number of requests received from provider
- Number of requests received for a particular cohort of students
- Timing of the academic day
- Availability in our calendar
- Quality of previous interactions with our students
- Failure to pass safeguarding checks
- Safety of our pupils, staff and visitors (especially in relation to the coronavirus pandemic).

4.4 Safeguarding

Our Child Safeguarding Policy outlines the school's procedure for checking the identity and suitability of visitors. Education and training providers will be expected to adhere to this policy. <http://www.barrbeaconschool.co.uk/wp-content/uploads/2018/10/Matrix-Child-Safeguarding-Policy-Sept-2018.pdf>

4.5 Premises and facilities

Depending on the nature of the session, providers will have access to presentation rooms or classrooms with audio/visual equipment, projectors or interactive whiteboards. Organisation of these facilities will take place when you contact the Careers Leader about your proposed session. Providers can leave materials such as prospectuses for the students to read but we kindly ask that this is agreed with the Careers Leader first. Such materials will be assessed for their suitability.

5. Links to other policies

This policy links to the following school policies, all of which can be accessed at these links:

- Careers Policy: <https://barrbeaconschool.co.uk/wp-content/uploads/2021/09/Careers-Policy-Sept-2021.pdf>

6. Monitoring arrangements

The school's arrangements for managing the access of education and training providers to students is monitored by G Killick, Careers Leader.

This policy will be reviewed by G Killick, Careers Leader and L Draycott, Headteacher.

Barr Beacon School's Careers Plan 2021-2022

Careers Lead: Miss G Killick, 0121 366 6600, postbox@barrbeaconschool.co.uk

At Barr Beacon School we work in partnership with a range of employers and education providers to offer a wide ranging, inspiring and exciting careers programme for everyone. Barr Beacon School has been recognised for its excellent work within careers and is the proud recipient of the **Gold Quality in Careers Standard**. In 2018, we were appointed **as the Lead School for Walsall in the Black Country Careers Hub**. We go beyond simply helping our own pupils, and have built strong partnerships with local schools to share best practice and improve careers education for every child in the Black Country.

We offer impartial, well-informed, up-to-date advice and guidance on the full range of opportunities available. As well as providing a large selection of careers events and activities throughout the year, which are tailored to the needs of each pupil, we also take a whole school approach to careers education. All staff, our Careers Champions, our Alumni, local employers and higher education representatives help to drive forward a programme which raises aspirations, challenges stereotypical thinking and promotes equality and diversity.

The careers programme at Barr Beacon School goes beyond helping pupils to figure out what their next steps should be; it helps pupils to continually develop the essential employability and life skills to make successful applications to their chosen pathway. We recognise the changing face of the working world. More people change careers throughout their working life. Factors beyond our control influence the jobs available such as globalisation, technological advancements and the environmental crisis. Our pupils need to be prepared for the evolving working world and so, at the heart of our Careers Programme, is a focus on building up essential lifelong employability skills. Our Skills 4 Life approach helps pupils to see the value in everything they do for their wider careers and teaches the philosophy that careers education is a life long journey.

Below is the plan for our Careers Programme, mapped to the 8 Gatsby Benchmarks of Good Careers Guidance (<https://www.gatsby.org.uk/education/focus-areas/good-career-guidance>).

Due to the global coronavirus pandemic, some events may be cancelled or postponed for the safety of pupils, staff and visitors. We will however commit to actively finding solutions, often in a virtual space, to allow this vital careers learning to continue.

Benchmark 1: A stable careers programme

- Barr Beacon School will measure and assess the impact of its own careers programme using the Gatsby Benchmarks and the Compass+ tool, as well as using our own internal tracking systems. We regularly evaluate our programme using opinions of providers, pupils, staff and parents.
- The Senior Leadership Team and Board of Governors support the programme and we have a dedicated Governor and Deputy Headteacher backing the Careers Programme and supporting the designated Careers Leader.
- Resources have been allocated to enhance the careers activities we can provide.
- A dedicated area of the school's website details useful and up-to-date information for use by pupils, parents and teachers.
- Our Provider Access Policy is also published on our website for the benefit of employers and educational establishments.

Benchmark 2: Learning from careers and labour market information

- Pupils will be informed of updated LMI information through their PSHE lessons, assemblies and careers interviews.

- A dedicated LMI section on the school website is updated annually.
- A LMI display in school will be updated annually.
- Staff will be kept up-to-date in annual CPD careers sessions.
- Employers visiting the school and trips to providers help to contribute to the delivery of LMI information.
- LMI information will be disseminated to parents at key pathway evenings and through the school's website.

Benchmark 3: Addressing the needs of each pupil

- Our Careers Programme is designed to support our pupils into the career pathway of their choice. Each student will have tailored advice and support at key transition points.
- We aim to raise the aspirations of all of our pupils, encouraging them to consider Higher Education, Higher Apprenticeships and Degree Apprenticeships as pathways that will keep their career options wide open for the future.
- We challenge career stereotypes through our PSHE programmes and setting examples through our visiting employers.
- The school keeps an accurate record of all of our pupils' careers experiences and uses this to tailor and target future support. We also use Start Profile to help our pupils access a record of these experiences.
- A detailed database with all pupil's career aspirations allows us to carefully target our invites for careers activities but most are open to all who choose to sign up.
- Our Alumni Network is continually growing so that we can track the destinations of our pupils and use this to inform and evaluate our careers programme.
- Our SEND pupils receive regular support from our Careers Adviser and we help to create supportive workplace experience opportunities for them.
- The school actively works with universities and organisations that support underrepresented groups to access higher level learning. A dedicated member of leadership, leading on Pupil Premium activity, supports this.

Benchmark 4: Linking curriculum learning to careers

- We have a whole school approach to careers where careers staff, teachers and pastoral staff help to support our pupils as they navigate their career pathways.
- Career learning is embedded into all subjects for all year groups, not just PSHE, English, Maths and Science. Each department feeds careers learning into their scheme of work and occasional lesson objectives are careers centred.
- A dedicated Careers Week ensures a career link is included in every lesson for every pupil.
- Each department has a dedicated careers display.
- Subject departments are encouraged to develop links with local employers and universities and use these to create new opportunities for pupils within lessons or for educational visits to work places or higher education providers.
- Staff Careers Champions drive the careers programme forward in each department.
- An annual CPD session for all teaching staff is dedicated to careers.
- Each year group has a series of PSHE lessons dedicated to Careers which are tailored to the different stages of their career learning.
- The school has a dedicated STEM lead providing opportunities for pupils such as trips, speakers and activities.

Benchmark 5: Encounters with employers and employees

- We have built up a strong network of local employers, many of whom regularly return to support the school each year.
- All pupils attend our annual Careers Fair where they meet a range of employers.
- All pupils have opportunities to take part in sessions by various visiting speakers.

- Trips to employers are arranged throughout the year.
- We have built up a strong Alumni Network which allows us to create a variety of encounters for our pupils and enriches the delivery of our careers programme. We also proudly showcase the many wonderful achievements of our former pupils.
- All Year 8 pupils attend a special Speed Networking event with a range of employers.
- Year 10 will take part in an Enterprise Day.
- Year 11 will have mock interviews with local employers.
- Year 12 and 13 will attend additional careers fairs in Birmingham to reach an even wider range of employers.

Benchmark 6: Experience of workplaces

- Year 12 pupils take part in a full week of work experience, or more.
- Year 9 pupils have the opportunity to take part in Take Your Child to Work Day.
- Any pupil who wishes to gain voluntary work is also encouraged and supported to do this in their spare time. Opportunities are regularly advertised.
- Older pupils who wish to complete work experience in the school holidays are supported to do so.
- Pupils in years 10-13 are also regularly sent virtual work experience opportunities to take part in.
- Our structured placements include preparatory and follow up sessions with pupils to ensure they get the most out of the experience.
- We value the opportunity for our pupils to not only experience the workplace through work experience but also to develop essential confidence, communication, perseverance and resilience skills when trying to source these placements.
- Year 7 and 8 pupils take on the job role of Duty Monitor for a day in school.
- Year 11 and 12 pupils are encouraged to take part in NCS, which includes a valuable voluntary work placement.
- Pupils have many opportunities to take on leading roles within school that give them a taste of a working dynamic e.g. Prefects, School Council.
- Visits to employers are arranged throughout the year for small groups.

Benchmark 7: Encounters with further and higher education

- The school has built up contacts with a full range of local and national providers and uses these contacts to help inform our pupils of all of the options available to them. This is done through a range of activities both on and off site.
- All pupils attend our annual Careers Fair with a full range of options presented to our students: universities, colleges, apprenticeships, employment, training providers, technical education providers, gap year providers and voluntary work organisations.
- Various visiting speakers, taster lectures, trips and projects are arranged throughout the year.
- We have partnerships with many universities and take part in their various projects.
- PSHE sessions and assemblies help pupils to explore all of their options.
- Parents are kept regularly informed at Progress Evening events and through letters, texts and the school website.
- Our pupils get 2 opportunities to visit a university both in Year 7 and 12 to help raise their aspirations.
- We also recognise the increasing number of highly regarded apprenticeships and Degree apprenticeships and work closely with businesses and Amazing Apprenticeships to keep our pupils informed.
- Year 12 pupils are also encouraged to attend Open Days in the summer term and are granted 3 authorised absences to allow for this.
- Year 11 pupils take part in Next Steps Week to help them make their final crucial decisions. This includes advice session from the range of options ahead of them and a

taster day at either the Sixth Form or a local College.

- Year 12 pupils attend higher education fairs in Birmingham to reach an even wider range of universities.
- We also work very closely with a number of universities and organisations who have tailored Access Schemes and projects to help pupils along their way to university.
- Summer Schools are also widely advertised and encouraged amongst our Year 12 and 10 pupils.
- Pupils in Year 11 and 12 are also encouraged to take part in NCS, which includes a university taster experience.
- Year 9 pupils and parents are given up-to-date information as part of their Pathways Programme when selecting GCSE options.

Benchmark 8: Personal guidance

- Every pupil will have had at least one interview with our Careers Adviser by the end of Year 11. Pupils do not just simply have discussions about their chosen pathway during these interviews but can also request application support, phone calls to chase up applications, mock interviews and CV/personal statement advice.
- Every student will have had at least one appointment with our Careers Leader in Year 13. Students receive extensive tailored UCAS and Apprenticeship application support. They are offered mock Interviews, including group interviews and assessment centre scenarios.
- These sessions often occur much more than once and are impartial and conducted by staff with professional careers qualifications.
- Every pupil and their parents/carers have the opportunity to book a Careers Interview on request.
- There is also a drop in every Wednesday afternoon at 3.00pm.
- Targeted careers interviews take place for those with the most need and requests from pastoral staff, tutors and teachers are also encouraged.
