## You Said...

- You would like a focused careers event for parents of KS3
- You needed more access to current job/careers opportunities
- As parents you wanted to be more involved in the careers arena
- You said you would like to be able to contact careers directly
- You wished to have more help with medical applications and student finance

## We Did...

- A scheduled parents careers event looking at START careers profile is in place for April 2022 (invites/booking will be sent home shortly)
- Created and update a weekly twitter page to keep up with current opportunities
- This year we have several events which parents either have been invited to or will be invited to including SEND coffee morning, Careers Fair and Support in Careers parents event for START profile at KS3.
- We have a [careers@etonecollege.co.uk](mailto:careers@etonecollege.co.uk) email address.
- We have set up an Etone alumni for medical students and in July a parent event to support and finance will take place
