

VACANCY

Teacher of Maths

Turves Green Boys' School, Northfield, Birmingham, B31 4BS

Salary: Main Scale (Early Career Teachers welcome)

Start Date: April 2024 or ASAP

Respectful pupils + committed maths teachers = the next generation of mathematicians and fulfilled teachers.

We need a passionate Teacher of Maths, someone who truly loves their subject, to join our strong team of maths geeks.

Whether you're an ECT or you've been teaching maths for decades, if you don't have an environment in which pupils show their teachers respect, nothing adds up.

The successful candidate will be joining us at an exciting time in the school's journey. The school joined the Matrix Academy Trust in May 2021 with major changes to systems and structures already embedded. If you have a good track record of excellent teaching with good outcomes and are ready to support a team of staff to reach that same goal, this might be the job for you!

About you:

We need a passionate teacher of Maths with a desire to inspire this passion into our pupils. Your skills will include:

- Being an outstanding classroom practitioner with a good understanding of how children learn;
- Having a proven track record of raising attainment through their teaching and learning, making a positive impact within and beyond their own classroom;
- Possessing a passion to make a difference in pupils' lives and showing a commitment to school improvement;
- Demonstrates excellent interpersonal skills and the ability to motivate, inspire, lead and support colleagues.

To arrange a visit in person or remotely, please email the Headteacher, Mr James Till: jtill@tgbs.co.uk. Please download an application form from www.matrixacademytrust.co.uk/vacancies/ and send it to the Headteacher.

Application Deadline: 30th November 2023

Safeguarding Notice:

Matrix Academy Trust is committed to safeguarding and promoting the welfare of children. All appointments are subject to an enhanced DBS clearance and preemployment checks in accordance with Keeping Children Safe in Education
