1. Principles and Ethos

- 1.1 Children cannot learn as effectively if they do not attend school - attendance at school is a prerequisite to learning and to pupils achieving their full potential.
- 1.2 Excellent attendance is a learned behaviour. Therefore, we place equal importance on high attendance and excellent punctuality to all our pupils, including those who are not of statutory school age (the law states that children must get an education between the school term after their 5th birthday and the last Friday in June in the school year they turn 16).
- 1.3 Matrix Academy Trust believe that excellent attendance and punctuality in the early years of school develops and establishes attitudes towards school attendance which impacts on future school attendance and ultimately academic success and social and emotional well-being. Similarly, excellent attendance and punctuality post 16 establishes and develops attitudes to towards attendance in the workplace and thus lifelong achievements.
- 1.4 Academies within the Matrix Academy Trust aims for our pupils' attendance to be in line or above national averages.

Excellent = 97% and above (no more than 6 days/12 sessions absent in any one year)

Good =95% and above (no more than 10/20 sessions days absent in any one year)

Persistent Absence = 90% and below (19 days/38 sessions or more absent in any one year)

Severely Absent = 50% and below (97 days/195 session or more absent in any one year)

NB: *There are 390 possible attendance sessions/195 days (5 of which are INSET days) in one academic year. Each day being divided into 2 sessions.*

- 1.5 Therefore, each child enrolled at each of our schools is expected to attend every day, on time so that they can achieve their full potential. We monitor and manage attendance and punctuality across all year groups according to this policy and statutory guidance. It is acknowledged however, that parents/carers of children who are not of statutory school age cannot be subject to legal processes if their child has poor school attendance.
- 1.6 Parents/carers are individuals classed as having parenting responsibility as described in Parental rights and responsibilities: Who has parental responsibility - GOV.UK (www.gov.uk)
- 1.7 *Parents/carers have a legal responsibility to make sure that their child receives an education at school or by education otherwise than at school.*
- 1.8 *Where parents/carers decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly.*
- 1.9 *This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school. Department for Education – ‘Working together to improve school attendance’ Sept 2022*

- 1.10 Both parents/carers, with parental responsibility, are equally liable for ensuring that their child attends school regularly and on time, regardless of who the child resides with or who is the main carer. Therefore, they may both be contacted when deemed necessary in managing attendance and punctuality. Similarly, where it is necessary to enforce statutory action (such as issuing of Fixed Penalty Notices) both parents/carers will be liable.
- 1.11 Where there are concerns about a child's attendance or attendance is a challenge, it is our aim to work with our pupils and their families in a supportive manner to improve attendance by removing any barriers. The Matrix Academy Trust and our schools recognise the importance of building strong relationships with our pupils and their families.
- 1.12 Where a pupil has a medical condition (physical or emotional), a disability, a special educational need or indeed any other factor which may present a barrier to attendance we uphold our expectation of excellent attendance. We endeavour to work with these pupils and their families, taking into account their individual needs, in order to make reasonable and supportive adjustments to facilitate excellent school attendance.

4.2 If a pupil's attendance **falls below 50%**, they will become a 'severely absent' pupil and will also be monitored closely by the school/Attendance Officer.

4.3 Our academies will work with the local authority and other partners to engage all relevant services needed to identify and address the wider barriers to attendance these pupils are facing.

4.4 Academies within the Matrix Academy Trust will inform the Local Authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 4 school days or more.

4.5 There are various groups of pupils who may be vulnerable to high absence and become persistently absent (e.g. Looked after children etc.)

4.6 The school will ensure it provides support to pupils at risk of PA, in conjunction with all relevant external authorities where necessary.

4.7 The school will use a number of methods to help support pupils at risk of persistent absence to attend school. These may include:

- Offering catch-up support to build confidence and bridge gaps in learning.
- Meeting with the pupil and their parent to discuss patterns of absence, barriers to attendance, and any other problems they may be having.
- Establishing plans to remove barriers and provide additional support.
- Leading weekly check-ins to review progress and assess the impact of support.
- Making regular contact with the pupil's parent to discuss progress.
- Assessing whether an EHCP plan may be appropriate.
- Considering whether an Early Help Assessment may be appropriate
- Considering what support for re-engagement might be needed, including with regard to additional vulnerability.

4.8 Where a pupil at risk of persistent absence is also at increased risk of harm, the school will work in conjunction with all relevant authorities, e.g. social services, to support the pupil in line with the school's duty of care.

4.9 The school will also bear in mind that the continuation of severe or persistent absence following intervention may, in itself, constitute neglect, and will escalate any concerns in this regard in line with the Child Protection and Safeguarding Policy.

5. Requests for Leave of Absence

- 5.1 Requests for leave in exceptional circumstances should be made at **least 2 weeks in advance** of the event and in writing using the Leave of Absence Request Form given in appendix B.
- 5.2 Retrospective approval for absence cannot be granted. Parents/carers do not have the right of appeal if a request for a leave of absence is declined, the head teacher's decision is final.
- 5.3 Leave of absence will NOT be granted for pupils who are at a level of persistent absence (less than 90%) or where attendance/punctuality are a concern.
- 5.4 Leave of absence will NOT be granted during periods of public examinations or internal school assessments.
- 5.5 Leave of absence will NOT be granted for holidays during term time regardless of circumstances.
- 5.6 Where leave of absence is NOT authorised and parents/carers decide to take pupils out of school despite the school's decision, absence will be recorded as unauthorised and subject to a fixed penalty notices (fine).
- 5.7 If the schools grants a leave of absence request and subsequently obtains evidence that indicates an application was falsified, the school reserves the right to amend the child's attendance records to record the absence as unauthorised and apply for the issuing of a fixed penalty notice.
- 5.8 Where a pupil fails to return to school after an agreed period of leave of absence, absence will be recorded as unauthorised, a fixed penalty notice (fine) requested and they may be reported to the Local Authority as 'A Child Missing in Education' and potentially lose their place at the school.

6. Holidays

- 6.1 The Headteacher **will not be able to grant** any leave of absence during term time.
- 6.2 This applies to all pupils who are required to be in statutory education.
- 6.3 Under exceptional circumstances, the Headteacher may consult with the CEO for approval.
- 6.4 If a parent/carer decides to take a holiday in term time and it has not been authorised, they will receive a **Fixed Penalty Notice (FPN)** and have **to pay £60 for each child removed from school**. This will need to be **paid within 21 days** and, if not paid within this time, the charge **will rise to £120 per parent per child and must be paid within 28 days** to avoid potential prosecution.

7. Managing Absence

A range of strategies will be used to support pupils in achieving excellent attendance

Our schools will:

- Establish a range of specific, evidence-based interventions to address barriers to attendance.

- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.
- Consider if an Early Help Assessment is appropriate
- Attend or lead attendance reviews in line with escalation procedures and develop an Attendance Support Plan
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
 - Sending letters to parents/carers.
 - Engaging with LA attendance teams.
 - Using fixed penalty notices.
 - Creating attendance clinics.

Pupils with attendance below 90% will be required to provide the school with medical evidence to be able to authorize further absence (please note for schools within the Birmingham local authority ,fast track procedures will be followed with regards to requiring medical evidence).

Schools are under no obligation to provide work for pupils who are absent from school, unless pupils are taking part in sporting/arts/theatre events as part of professional organisation and permission has been received from the local authority.

Remote learning for pupils unable to attend school will only be provided in exceptional circumstances (e.g. long-term illness supported by medical evidence, unexpected school closure).

8. SEND and Health-Related Absences

We recognise that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

In line with the SEND Policy and Supporting Pupils with Medical Conditions Policy, the school will ensure that reasonable adjustments are made for pupils with disabilities to reduce barriers to attendance, in line with any EHCP plans that have been implemented.

The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents/carers will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance.

Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the Designated Safeguarding Lead and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the school's Social, Emotional and Mental Health (SEMH) Policy.

If a pupil is unable to attend school for long periods of time due to their health, the school will:

- Inform the local authority if a pupil is likely to be away from the school for more than **15** school days.
- Provide the local authority with information about the pupil's needs, capabilities and programme of work.
- Help the pupil reintegrate at school when they return.
- Make sure the pupil is kept informed about school events and clubs.
- Encourage the pupil to stay in contact with other pupils during their absence.

The school will implement an Attendance Support Plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

9. Legal Intervention

The school will allow sufficient time for attendance interventions and engagement strategies to improve pupils' attendance; however, where engagement strategies to improve attendance have not had the desired effect or parents/carers fail to engage in the support being offered, the Attendance Officer will consider statutory action.

This may involve requesting the local authority to issue a fixed penalty notice (fine); referring to the LA for prosecution as a final resort and referring to children's social care where there are safeguarding concerns.

Further information on legal intervention can be found in 'Working together to improve school attendance' DFE Sept 2022

[Working together to improve school attendance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

10. Children Missing in Education

Where a pupil has been absent from school for a period of **20** consecutive school days without authorisation or has not returned within **10** days after an authorised absence a pupil can be removed from the admissions register when the school and LA have failed to establish the whereabouts of the pupils.

11. Reduced Timetables

- 11.1 Placing a pupil on a reduced timetable may be used as a strategy to support a pupil who is finding attending school a challenge.
- 11.2 The use of part time or reduced timetables are used as a short term (ideally for no more than **6 weeks**) measure to ensure the successful return to full time education.
- 11.3 The decision to place a pupil on a reduced timetable must be approved by the Headteacher.

11.4 Reduced timetables will be reviewed every two weeks, with the aim of increasing the timetable at each review point.

11.5 These pupils must also be reported to the local authority.

12. Elective Home Education

12.1 Parents/carers are within their rights to make requests for home educate their children however, it is the ethos of the Matrix Academy Trust that children are best placed to learn in school and therefore requests for flexi-schooling arrangements will not be granted and home education discouraged.

12.2 Any such requests should be placed **in writing** to the Headteacher.

12.3 The school will liaise with the Elective Home Education team within the local authority prior to removing any pupil from the school roll

Appendix C School Procedures **Wednesfield Academy**

Morning Registration

The school gates open to welcome pupils at 8am and close at 8:30am. Pupils arriving after the gates have closed should report to reception and sign in with the receptionist. Pupils who are late, after the gates have closed, will be marked as late before the register closes (L code). These students will receive a breaktime detention which will be escalated to an afterschool detention the following day if they do not attend.

Morning registration is open from 8.30am. Pupils arriving after registration closes (after 9.10am), will be marked as late after register closes (U code). This is an unauthorised absence and negatively impacts a pupils attendance percentage.

Afternoon Registration

Afternoon registration is open from 2:00pm until 2:10pm.

Lesson Registration

In secondary schools, attendance and punctuality registers are also taken for individual lessons.

If students have not attended a lesson this is identified through the teacher reporting the concern to reception so the student can be located. The student will receive a sanction for truanting from a lesson in line with the academy behaviour policy.

Leaving The Premises During the School Day

If students are leaving the premises during the school day, for example 'a medical appointment, ill, etc' students are required to sign out at reception once authorised by a member of leadership. Those students travelling between Smestow Academy and Wednesfield Academy are also required to sign in upon entry and sign-out upon leaving the site.

Notifying the school of your child's absence

Parents/carers must notify school every day that the child is unable to attend school by 8:30am.

Parents must give a detailed reasons for absence. For example, 'child has a throat infection/been sick etc' rather than just 'unwell/poorly'.

Parents/ carers must inform your child's house office by calling: 01902558222 or emailing Postbox@wednesfieldacademy.co.uk

Where a child (including those of non-statutory school age) is absent from school and parents/carers have not contacted the school to inform them of the reason for absence the school will record an unauthorised absence and follow safeguarding procedures to ascertain the reason for absence and whereabouts of the pupil.

This may involve the school making contact with parents and other named contacts on record. If by the third day of absence no contact has been made the school will carry out a home visit (Keeping In Touch Visit) and report the absence as a safeguarding concern. Where there are pre-existing concerns about the safety or well-being of a pupil the school may carry out a home visit on the first day of absence. Where there are serious concerns about the safety and well-being of a pupil whose reason for absence is not known the school may contact the police, local authority or social services.
